August Meeting

Wednesday August 16 – 7:00 PM –
Room 209 Centennial Hall at Lynchburg College

The August Meeting will begin with a general discussion and Q&A session at 7:00 p.m. followed by a demonstration by Michael Corbin on color management - how to control the colors you get when you print your digital camera images. Several members have requested this presentation, which has been given most recently to the Digital Imaging Group of the Blue Ridge Photographic Arts Society. Mi-

chael promises to deliver the simple “do this, then do that” instructions on how to get what you want before explaining the technical details of why/how it works, so that whether you just want to know what buttons to push, OR you want to understand the inner workings, you’ll get what you want from this meeting. **Tom Johnson will also discuss what he has learned about taking stereo photographs.**

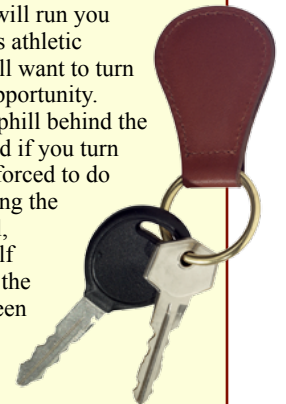

Centennial Hall Directions

Centennial is located between the campus library and the chapel, with parking behind and beside. To drive there most directly, you will probably want to use the LC main gate as a reference. This is located off Lakeside Drive, and however you get there, **DON'T turn into the main gate.**

There is a traffic light on Lakeside about 50 yards from the LC drive, and if you reach the LC drive first, continue to the traffic light and turn right there instead.

If you are on lakeside and reach the traffic light BEFORE you get to LC's drive, turn left at the light. If you reach the light from Old Forest Road instead of Lakeside Drive, go straight at the light.

All these will run you alongside one LC's athletic fields, and you will want to turn right at the first opportunity. That street goes uphill behind the college chapel, and if you turn right again when forced to do so, just after passing the back of the chapel, you'll find yourself headed for one of the parking lots between the chapel and Centennial with the latter on your left. You can also park behind the chapel, although there is a little bit of hill to climb, and there is a small parking lot across the street behind Centennial Hall. If worse comes to worst, it is also possible to park on the far side of the library, on down the street behind Centennial Hall.
